

## International Machinery and Plant Engineering Forum 2019

**B2B Meetings and Conference**

**26 November 2019, Austrian Federal Economic Chamber, Vienna**

The conference and b2b matchmaking event “**INTERNATIONAL MACHINERY AND PLANT ENGINEERING FORUM 2019**” taking place in Vienna provides the opportunity for companies from across the globe to learn more about the latest trends in technology, to exchange their knowledge and expertise and to meet prospective suppliers, customers as well as new business partners.

**OPEN for registration until 26 November 2019 under**

<https://machinery2019.b2match.io/>

### Why participate?

We invite you to

- meet prospective customers and suppliers
- learn more about the latest industry trends
- extend your network and find new business partners
- gain knowledge on new markets
- present, discuss and develop new projects
- initiate cross-border contacts
- learn about the latest Austrian technologies and know-how

Day one will consist of exploring the latest technologies and getting to know international companies as well as new business opportunities in the morning and individual b2b meetings in the afternoon.

### Important information

Participation at the conference is free of charge for international guests. Registration for the event is mandatory. For further information regarding the agenda please visit our website
